List of Publications

Indication of publication on ISI Journals
1. Original articles in ISI journals: 13 (including one forthcoming)
2. Citations (ISI): 187
3. h-index (ISI): 6

A. Reviewed Papers

36. H. Mizutani, T. Sakao, K. Halada, Y. Shimura: How to Estimate the Effect of a New Technology on

B. Book edition

C. Book chapters

D. Reviewed Papers in Bounded Volumes

E. Reviewing Papers, Textbooks, Tutorial Notes, Invited Papers

F. Referred Conference Papers

32. M. Lindahl, E. Sundin, Y. Shimomura and T. Sakao: An Interactive Design Model for Service

G. Reports

H. Conference Papers

I. Lecture Notes

J. Translation

K. Miscellaneous

L. Acknowledgement

M. Miscellaneous by others
List of Scientific Activities

a. Advisory board
   2. Board member of the International PSS-Design Research Community (www.pssdesignresearch.org), since 2008
   4. Member of Advisory Board of Trustees for APBITM (Asia Pacific Business Innovation and Technology Management Society) and Journal of APBITM (ISSN: 2094-2257), since 2010.
   5. Member of Editorial Committee for Communications of JIMA (ISSN 0917-6241) by Japan Industrial Management Association, 2009 - 2010.
   7. Member of advisory board for the project, “Future Climate- Engineering Solutions” by The Danish Society of Engineers (IDA)", 2008-2009.
   8. Member of Editorial Advisory Board for The Open Environmental Engineering Journal (ISSN 1874-8295) by Bentham Science Publishers, since 2008.

b. Commitment to dissertation (Ph.D. degree)
   1. Member of grading committee for Gunilla Clancy, Assessing sustainability and guiding development of more sustainable products, Technology Management and Economics/Quality Sciences, Chalmers University of Technology, Sweden, 2014
   4. Member of grading committee for Anthony W. Thompson, Integrating a Strategic Sustainable Development Perspective in Product-Service System Innovation, Department of Mechanical Engineering at Blekinge Institute of Technology, Sweden, 2012.
   6. Member of grading committee for Henrik Ny, Strategic Life-cycle Modeling and Simulation for Sustainable Product Innovation, Department of Mechanical Engineering at Blekinge Institute of Technology, Sweden, 2009.

c. Member of committees for scientific conferences
   1. Member of program committee, International Conference on Serviceology, July 7 - 9, 2015, San Jose.
   3. Member of International Advisory Team of the International Conference on Business Innovation & Technology Management, July 01-03, 2013, UK.
   4. Member of Science Committee, the 18th Greening of Industry Network (GIN) conference, October 22 - 24, Linköping, 2012.

d. Reviewer of papers submitted for scientific journals/conferences/books
7. Production Planning & Control, 2013.
List of Awards

2. The best paper award, 5th CIRP International Conference on IPS², 2013.
